 PP2FLAT, PP2FLATHR
 and PP2FLATHL

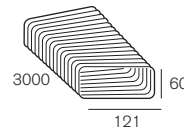

Flat Duct
 1000 x 121 x 60
PP2-4010WH

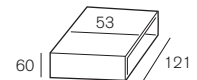

Flat Duct
 1500 x 121 x 60
PP2-4015WH

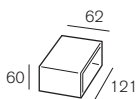

Rectangular Flexi Duct
 3000 x 121 x 60
PP2-433WH

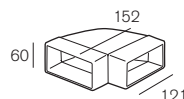

Flexi Duct Connector
 121 x 60
PP2-481WH

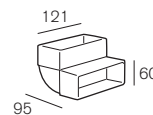

Flat Duct Connector
 121 x 60
PP2-420WH

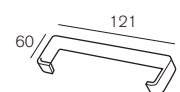

90 Degree Horizontal Bend
 121 x 60
PP2-450WH

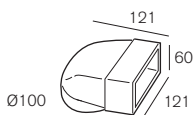

90 Degree Vertical Bend
 121 x 60
PP2-460WH

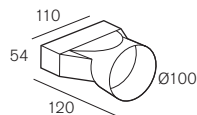

Flat Duct Clip
PP2-422WH

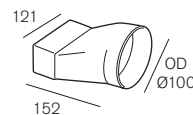

Flat Duct Elbow Bend
PP2-430WH

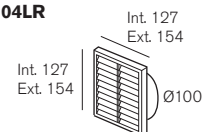

Flat Duct Adaptor
 100mm round to flat
PP2-471WH

Flat Duct Adaptor
 100mm round to flat
PP2-470WH

Flat Duct Low Resistance
 Fixed Louvre
PP2-104LR

PP2-104LR grille is used as both an internal and external grille:

- When used as an internal grille the louvres point upwards to prevent the air being directed to the floor and causing a draught
- When used externally the louvres point downwards to prevent the rain from coming into the property
